

**Press Release****Piero Manzoni is the Chief Executive Officer of Falck Group**

The Board of Directors of Falck SpA, in yesterday's meeting of 11 November 2009 chaired by Federico Falck, appointed Piero Manzoni as Chief Executive Officer of the Company.

Piero Manzoni – 47 – who maintains his position as Group General Manager, takes over the role of Chief Executive Officer as part of the managerial and organisation renewal process that is underway across all levels and that is aimed at responding rapidly to the challenges of the changing business world.

Piero Manzoni was Managing Director of Atel Energia SpA (Alpiq) for 2 years prior to which he was Director of Energy at Siemens Italy and previously he held a number of positions within the ABB Group.

The Board of Directors wishes Piero Manzoni every success in achieving the future goals.

Falck SpA is the holding of the Falck Group that operates in the production of energy from renewable sources (photovoltaic, wind, biomass, waste-to-energy) and bioenergies in Italy, Europe and the Rest of the World.
